REGISTRATION

NOV. 12, 2024

10:30AM- 12:00PM EST

9:30 AM- 11:00AM CST

330-581-1817 /edpietas@glcap.org

This no-cost, online training will cover regional considerations for preparing to leave your home and private well for extended periods and, more importantly, what needs to be done when returning to ensure your drinking water is safe from issues that can lead to illness or even hospitalization upon your return.
